

SRA Financial Services (Scope) Rules

Introduction

The SRA, through the Law Society, is a designated professional body under Part 20 of FSMA. This means that firms (including sole practices) authorised by us may carry on certain regulated financial services activities without being regulated by the FCA if they can meet the conditions in section 327 of FSMA. The purpose of these rules is to set out the scope of the regulated financial services activities that may be undertaken by firms authorised by us and not regulated by the FCA.

These rules do not apply to solicitors, RELs or RFLs practising outside firms authorised by us.

This introduction does not form part of the SRA Financial Services (Scope) Rules.
